*Séard atá i gceist le "Líofacht sa Ghaeilge" ná go bhfuil leibhéal líofachta ag do pháiste sa Ghaeilge atá ar leibhéal gur féidir an teanga a úsáid mar ghnáthmhodh cumarsáide i suíomh neamhoideachasúil, ag tógaint san áireamh aois agus aon riachtanais speisialta oideachais atá ag an bpáiste. Beidh fianaise á lorg ag an scoil chun an líofacht a léiriú. "Fluency in Irish" means that your child should depict a level of Irish that is used as the child's daily language of communication and not be limited to an educational setting (taking into account the age and any special education needs the child may have). You will be required to provide evidence to the school that depicts this level of fluency.
